### Living Bread Food Pantry

**On your first visit please bring a bill or letter with your current Plainville address. We will fill out a form with name, mailing address, number in family and ages. We are currently using a drive through approach in the church parking lot starting at 6:15 p.m. until 7:00 p.m. You stay in your car with windows up following the signs and cones. Please write your name on a large piece of paper so we can register you by name every time you drive through. Also write where you want your food placed, either the trunk or the side door. Keep your windows up, but if you need to talk to us, crack the window but please wear a mask. If needed, you can come through weekly. We will give you a bag of nonperishable foods, another bag of perishables, and a bag of cold items. You may choose from extra desserts and vegetables that we may have.**

**Your nonperishable bag will include a vegetable, fruit, soup, meat, boxed meals, pasta & sauce. We also try to include rice, potatoes, condiment, cereal and a baking item if available. The first Wednesday of the month, we include peanut butter and on the second Wednesday we include coffee.**

**The Food Pantry cannot be responsible for outdated foods. Please check dates, smell, color, swelling and sharp dents before using. Our volunteers check the condition of our donations and food expiration dates on all food that comes in and try our best to make everything as safe as possible.**
